PRESS RELEASE

Extra Sensory Perception

'Melodic, mysterious and uplifting'

ESP Project Release 11th Studio Album 'EXTRA SENSORY PERCEPTION'

26.06.26

Featuring

Tony Lowe, Peter Coyle, Mark Brzezicki

EXTRA SENSORY PERCEPTION', the new album from the **ESP Project** features Tony Lowe, Peter Coyle, and Mark Brzezicki, united for the third time, with seven new songs influenced by the strange and mystical phenomena of Extra Sensory Perception.

An inspired, eclectic offering from all three artists, merging their individual strengths to produce a unique and captivating album that promises to resonate with lovers of novel, imaginative music and mystery, leaving a lasting impression on the listener. Seven melodic, mysterious, and uplifting songs by Tony Lowe and Peter Coyle that transport us into another world and dimension.

With the musicianship and production of multi-instrumentalist **Tony Lowe**, the poetic lyrics and sublime vocals of **Peter Coyle** (ex-Lotus Eaters), and the inspired drumming of **Mark Brzezicki** (Big Country), this album is another mesmerising addition to the highly reviewed, unique ESP Catalogue. A musical collaboration which began with the acclaimed '22 Layers of Sunlight' 2018 Album (ESP 2.0) and continued with the captivating 'VELVET CRUNCH' in 2025.

'**EXTRA SENSORY PERCEPTION**' is available on Bandcamp as a CD/digital download and usual outlets from 26th June. Pre-orders from 5th June. CAT: SUNNC2601 UPC: 5060966702559 - [INFORMATION AND LINKS](#)
